ALERT / ESCALATE	
ADVISE	<ul style="list-style-type: none"> • Suicides and Near Misses of Children and Young People – A review had led to interventions being put into place to address specific issues which relied on the involvement of the CTM Safeguarding Board. Learning was being taken from across the CTM localities and action being taken to reduce the risk. • Clinical Reviews within the Maternity Service - Update received on the progress of the Independent Reviews being led by the IMSOP Panel. Members noted the need to ensure appropriate processes were in place to support women and families once they had received the outcomes of their review.
ASSURE	<ul style="list-style-type: none"> • Child Protection Medicals - An action plan had been developed and it was noted that the position had improved as a result, with no further concerns raised. Members noted that a Child Protection Medicals Hub was being put into place at Royal Glamorgan Hospital.
