## **1. SITUATION/BACKGROUND**

This report aims to provide an update to the Board on relevant matters in my capacity as Chair of the Health Board. It also outlines where I have been required to affix the Common Seal of the Health Board for which endorsement is sought.

This overarching report highlights for Board Members the key areas of activity and where appropriate any associated risks, some of which are referred to within the business of the Board meeting and also highlights topical areas of interest to the Board.

## **2. SPECIFIC MATTERS FOR CONSIDERATION BY THIS MEETING (ASSESSMENT)**

### **2.1 Her Majesty Queen Elizabeth II.**

It is with great sadness we learn of the death of Her Majesty Queen Elizabeth II. We thank Her Majesty for an unparalleled lifetime of service, duty and devotion and express our condolences to the Royal Family on behalf of everyone at our Health Board.

As we reflect and celebrate the life of Her Majesty Queen Elizabeth, we will remember her affection for the Welsh people and her support of the NHS.

During her reign, Her Majesty made many visits to the villages and towns of these valleys where she was keen to understand the lives and issues affecting our citizens. More recently, Her Majesty awarded the George Cross to the NHS staff in Wales in honour of their work and commitment during the Covid-19 pandemic.

On behalf of Cwm Taf Morgannwg University Health Board staff, we pay our final respects and thanks to Her Majesty Queen Elizabeth II for her exemplary public service and unfaltering duty.
