

# DIABETIC DRAGONS

## Support and Social Group

search “Diabetic Dragons” to join our Facebook page

“ a diagnosis can feel overwhelming - we have been there and are here for support ”

## Social Events & Cuppas

The social meetups are developed with fun and bonding in mind. Type 1 children and their families are invited to join the Dragons, make new friendships and know they are not alone.

The parent and cuppa chats are a safe space where parents can come to chat, share experiences and support each other. It is also an opportunity to drive and shape future social events of the group.

## About

### Diabetic Dragons

Diabetic Dragons is run by volunteers from Type 1 families and supported by DSN's from the Cwm Taf Morgannwg Health Board. It is a registered charity.

The group arranges social events for Type 1 young people under the care of the Health Board and their families and holds monthly parent cuppa and chat mornings every second Monday of the month.
